

FIREJET - INDUSTRIAL ELECTRIC HOT & COLD PRESSURE WASHER SERIES

FIREJET

Introducing the **FireJet Series Hot and Cold Pressure Washer**, the ultimate tool for powerful, efficient cleaning. Crafted with precision, it features an Italian-made Annovi Reverberi Triplex Pump, known for its exceptional durability. The sleek, stainless steel cover and vertical boiler not only ensure lasting performance but also add a touch of modern sophistication.

Designed for minesite quality, the FireJet excels in the harshest conditions, thanks to its robust construction. Its slow-speed electric motor enhances longevity and efficiency, while thermo overload protection guards against overheating, ensuring safe and consistent operation.

Whether tackling stubborn industrial grime or everyday messes, the FireJet offers versatile hot and cold settings to meet all your cleaning needs. Elevate your cleaning game with the FireJet – where superior engineering meets unbeatable performance.

FEATURES

STANDARD

- Grade 304 - Stainless Steel Cover
- Steel Base with Inbuilt 30L Diesel Tank
- Stainless Steel header tank with floats
- Easy to use Interface with Gauge and Dials
- Heavy Duty Seamless Boiler Coil
- Annovi Reverberi - Italian Made Pump
- Slow Speed 1450RPM Electric Motor
- Thermal Overload Motor Protection
- Inbuilt Safety Pressure Relief System
- High Pressure Detergent Spraying
- 10 Metres of HP Hose with Quick Couplings
- Heavy Duty Gun with Stainless Steel Lance & Nozzle
- Adjustable Pressure Regulator

OPTIONAL

- Upgrade Hose to 20,30,40,50M Lengths
- Turbo Nozzle attachment
- Hose Reels Available

ITALIAN MADE PUMP

Italian made Annovi Reverberi triplex pump, leaders in High Pressure Pumps

EASY TO USE INTERFACE

A manual input interface makes it simple switching between Hot & Cold.

Model	Max Flow (lpm)	Max Press. (psi)	Pump RPM	kW / HP	Amps	Voltage	Cable Length (m) & Plug	Dimensions (WxLxH cm)	Weight (kg)
FIREJET 10/140	10	2000	1450	2.8 / 3.8	15	240	5m w/ 3 Pin	108 x 66 x 93	135
FIREJET 15/250	15	3650	1450	7.5 / 10.0	20	415	5m w/ 4 Pin	115 x 75 x 105	155
FIREJET 21/250	21	3650	1450	11 / 15.0	20	415	5m w/ 4 Pin	115 x 75 x 105	185
